

How the Drop Site Works:

Participants sign up for monthly membership through Vail Honeywagon

Membership fees are charged in advance on a quarterly basis

Membership can be canceled or put on vacation hold at any time

The drop site can support one 5 gallon bucket of waste per household per week

All participants are expected to read email communication

All members of participating households are encouraged to attend compost trainings

Compost Etiquette

Kitchen scraps only in the compost drop site dumpster

(Use complimentary vouchers to compost yard waste at the Honeywagon facility)

Remove stickers, rubber bands and packaging before composting

Clean up after yourself at the community site

Always lock the dumpster after dumping your organic waste

Report illegal dumping or suspicious activity

Membership Benefits

Access to centralized organic waste dumpster

Educational materials and training for the entire household

Vouchers for free yard waste drop off at the Honeywagon Organics Facility

Vouchers for finished compost to put on your garden every spring
