

SECTION 01710

CONSTRUCTION STANDARDS AND SPECIFICATIONS

PART 1 - GENERAL

- 1.01** All water, storm sewer, concrete curb, gutter, sidewalk, base course, and asphalt construction shall be in accordance with the current version of the Town of Minturn "Engineering Standards and Specifications" found in Appendix C of the town code at http://www.colocode.com/minturn/minturn_19.pdf and the Contract Documents.
- 1.02** All sanitary sewer construction or modifications shall be in accordance with the current standards and specifications for the Eagle River Water and Sanitation District.
- 1.03** Construction plans have not been created for this maintenance related project. The specific streets, limits, and typical cross sections are all referenced and/or included in the BID FORM.
