

MINTURN MONTHLY NEWSLETTER

May 2018

Monthly Newsletter

Scholarship Committee

The Scholarship committee is seeking a Minturn resident to join the board in the annual appropriation of scholarship funds to qualified recipients. This committee typically

meets 4-6 times/year in the winter/spring. Residents with an educational background are encouraged to apply. Please submit a letter of interest to manager@minturn.org or 302 Pine Street, by May 23, 2018.

Sidewalk Program

Public Works is gearing up for another busy summer of sidewalk rehabilitation. Here is the basic outline of the program. Interested property owners should contact Jay Brunvand for complete details and scheduling. (970) 827-5645 or treasurer@minturn.org.

TOWN PORTION:

- Pop and remove existing sidewalk
- Prep/frame site
- Flatwork (we have a professional company that we hire)

RESIDENT PORTION:

- The resident reimburses the Town for the cost of concrete (and that's it). The Town pays for all the labor and concrete and then bills the property owner for the concrete.

Estimates are about 3-6 yards at \$150 to \$200 or so a yard. A bill from last year (as an example) and it was \$194/cy.

Vail Jazz Partnership, Live! In Minturn

Minturn is exploring the opportunity to partner with Vail Jazz for the fall 2018 music series known as Live! In Minturn. Options exist at several local establishments and venues are starting to be explored. If you're interested in your venue hosting one of these four evenings, please email events@minturn.org

Scoop the Poop! - Campaign to begin May 2018.

Residents are asked to please not let their dogs roam free about the neighborhoods...as has been seen actively happening on Pine and Boulder Streets. Turns out, our four-legged residents can't pick up and throw away their own poop. Let's all do our part to keep a clean and healthy

environment for everyone. For Poop Station bag refills, please call 827-5645 ext. 4.

**It's that time of year again - BEAR Season
Sec. 7-9-310. - Protection of wildlife.**

Between the dates of April 15 and November 15, all bird feeders must be suspended on a cable or other device so that they are inaccessible to bears, and the area below the feeders must be kept free from the accumulation of seed debris. We place our wildlife at risk when we act irresponsibly. Hundreds of bears are destroyed in Colorado every year as a result of irresponsible human behavior. Many of these bears would not have been killed if people had taken the necessary precautions to properly store food, garbage, bird feeders and other attractants. Please be a part of the solution in protecting our wildlife.

Broken Trash Containers are NOT Wildlife Proof. Please call Vail Honeywagon 476-3511 to have your container replaced.

LITTLE FREE LIBRARY
TAKE A BOOK • RETURN A BOOK

Town Hall Free Book Exchange

Located in the Town Hall Lobby – 302 Pine Street. The Town of Minturn hosts a free book exchange which will allow Minturn to expand the program. Minturn is now reviewing the opportunities and associated costs for free mini book exchanges in additional sections of town. For anyone interested in volunteering to build, maintain or stock a mini book exchange please contact Kathy Biggs at code@minturn.org or 827-5645 ext. 4.

Community Garden Applications

The community garden applications are available at Town Hall - check the bulletin board in the town hall lobby or the Minturn Community

Gardens Facebook page.

Minturn, CO 81645-0309

The 12th Annual Eagle County Workforce Survey now open! Conducted by Vail Valley Partnership/ Vail Valley Economic Development. Please assist us by taking the time to complete the survey: www.surveymonkey.com/r/WFSurv18. The results will be used to help local businesses and governments better understand the status of the local economy and help improve related decision making.

Our deputies have been placing the Radar Speed Indicator Sign throughout town –

Please SLOW DOWN.

Minturn Energy Savers

In 2017, the Town of Minturn was accepted to participate in Xcel Energy's Partners in Energy offering. Through a facilitated engagement process in collaboration with Xcel Energy, the Town of Minturn developed an [Energy Action Plan](#) to move the Minturn community towards new greenhouse gas (GHG) reduction, energy reduction, and renewable energy goals over the next 18-months and beyond. [Sign up today!](#)
